

The City Of Middletown welcomes the Louisville Polar Plunge to Texas Roadhouse in Middletown Commons on February 23! This fun and family-friendly event supports Special Olympics Kentucky and the 9,000 Special Olympics athletes who compete in 15 different sports across the state.

You can help us support this great organization by "Freezin for a Reason". Find out all the details at LouisvillePlunge.com. We'll share event updates and traffic notifications to keep our entire community informed and ensure everyone has a great weekend here in Middletown.

Are you **BRAVE** or **BONKERS**? Don't worry, we'll take **EITHER**!

Each year, the Polar Plunge for Special Olympics Kentucky challenges hundreds of brave jumpers to be "**FREEZIN' FOR a REASON**" in support of the 8,900 people with intellectual disabilities who participate in year-round sports and health programming provided by Special Olympics Kentucky.

The Polar Plunge is the most unique fundraiser around. It's a great way for everyone — friends, schools, community organizations and businesses— to support Special Olympics Athletes. So many from the Greater Louisville community come together in this fun, family-friendly atmosphere! Do your part at one of the **COOLEST** events of the season in 2019! You can take the plunge, donate or volunteer! It'll be a memory you won't soon forget!

So, grab some friends, get **BRAVE** or **BONKERS** (again, either's fine with us!), register and start your fundraising page today! All funds raised go to support more than 8,900 Special Olympics Athletes in Kentucky and all donations are tax-deductible.

Join in the fun and support a G-G-G-Great Cause!

To learn more, contact Jennifer McMahon at 502-326-5002 or by e-mail at jmcmahon@soky.org.
